RECEIVER'S SIXTH QUARTERLY STATUS REPORT

For the period January 1, 2020 to March 31, 2020

Civil No. 2:18-cv-00892-TC

Honorable Tena Campbell

Magistrate Judge Dustin Pead

Jonathan O. Hafen, the Court-Appointed Receiver for the assets of Rust Rare Coin Inc., Gaylen Dean Rust, Denise Gunderson Rust, Joshua Rust, Aleesha Rust Franklin, R Legacy Racing Inc., R Legacy Entertainment LLC, and R Legacy Investments LLC (collectively, "Receivership Defendants"), hereby submits this Sixth Quarterly Status Report for the period of January 1, 2020 through March 31, 2020, pursuant to Section XIII, paragraph 53 of this Court's Order Appointing Receiver and Staying Litigation, dated November 27, 2018 (the "Appointment Order"). *See* Dkt. No. 54.

As instructed by the Court, this Report addresses:

- I. A summary of the operations of the Receiver, including significant developments during the quarter.
- II. A summary of the current financial condition of the Receivership.
- III. A summary of the receipts and disbursements of the Receivership.
- IV. A description of known Receivership property, including approximate valuations, and anticipated dispositions.
- V. A description of liquidated and unliquidated claims of the Receivership, including the need for forensic and investigatory resources, approximate values of those claims, and anticipated methods of enforcing such claims.
- VI. A list of known creditors of the Receivership.
- VII. The status of creditor claims proceedings.
- VIII. The Receiver's recommendations for continuation of the Receivership.

I. SUMMARY OF OPERATIONS OF THE RECEIVER, INCLUDING SIGNIFICANT DEVELOPMENTS DURING THE QUARTER

A. General Developments

1. **Claims Analysis.** This quarter, the Receiver and his team continued to make progress on their review, analysis, and verification of the claim forms submitted by potential claimants of the Receivership Estate. At the end of the quarter, there have been approximately

612 claim forms submitted to the Estate, and the total amount of self-reported losses identified by such claimants is approximately \$170 million. The Receiver and his team continue to diligently analyze the submitted claims and have coordinated with the Court to ensure that the review process is both thorough and efficient. The Receiver and his team review each claim to determine the accuracy of the dollar amount asserted, as well as the basis and priority of the claim. At this time, the Receiver and his team have reviewed all claim forms submitted by potential claimants, including investors. The Receiver's analysis is ongoing with respect to certain employee-related claims while the Receiver continues to collect employment records in order to verify such claims.

2. **Claw Back Actions.** As previously reported, the Receiver and his team filed 30 separate claw back actions against approximately 124 different investors to ensure that the Receiver preserved his right to recover proceeds from potential net winners after the November 15, 2019 filing deadline. In addition, the Receiver made a significant effort to minimize the number of filings by coordinating the execution of over 170 tolling agreements with various potential net winners. As discussed in more detail below, the Receiver continues to work closely with investors and their counsel to secure a favorable resolution of such claims.

B. Liquidation of Real Property

1. **Huge Studios.** Having obtained Court approval for the sale of Huge Studios on January 15, 2020 (*See* Dkt. No. 278), the Receiver successfully closed the sale of Huge Studios to an independent, third-party buyer for \$3,025,000. After paying realtor fees and secured debt of \$560,451, the sale of Huge Studios resulted in a net amount of over \$2,200,000 to the Receivership Estate.

¹ See Section V.

- 2. **Alaskan Properties.** This quarter, the Receiver also sold one of the Alaskan properties, a two-story business property located at 3657 Main Street, Homer, Alaska. As a result of these efforts, the Receiver brought in approximately \$205,000 to the Receivership Estate. With the sale of the Main Street property, the only Alaskan property remaining is the residential home located at 65299 Diamond Ridge Road with two adjacent pieces of raw ground. These properties continue to be marketed for sale by the Receiver's real estate broker.
- 3. **Timeshare Membership.** Gaylen and Denise Rust own a timeshare membership with Wyndham by WorldMark that the Receiver is currently in the process of liquidating. The Receiver continues in his efforts to determine the most effective way to liquidate this interest. Any proposed sale of this interest will be subject to Court approval.

C. Liquidation of Personal Property.

- 1. **Huge Studios Equipment.** As set forth above, the Receiver has closed on the sale of the Huge Studios real property. However, the sale of the real property did not include the music and most of the sound equipment located at Huge Studios. As previously reported, the Receiver has retained the services of Michael Greene, a sales agent who originally purchased most of the equipment while working as Huge Studio's chief engineer, to facilitate the sale of the remaining Huge Studios equipment to potential buyers.
- 2. As set forth in the Receiver's agreement with Mr. Greene, any equipment not sold prior to the closing of Huge Studios is now being stored by Mr. Greene at his warehouse at no charge to the Estate. This quarter, Mr. Greene worked to market and sell the Huge Studios equipment to various third parties, subject to the Receiver's prior authorization of all sales. As a result of these efforts, Mr. Greene has recovered \$101,704 in proceeds for the sale of such equipment which is in addition to the \$156, 674 of equipment already sold. There still remains a

relatively small amount of equipment to be sold. Although Mr. Greene continues his efforts to liquidate the remaining Huge Studios equipment, progress has recently slowed due to complications related to COVID-19. The Receiver will continue to provide the Court updates regarding the sale of the Huge Studios equipment and the effect, if any, of COVID-19 on those efforts.

- 3. **Rust Rare Coin Inventory.** This quarter, the Receiver made significant headway with respect to the inventory held at Rust Rare Coin ("RRC") by obtaining Court approval to (i) return certain items that are not part of the Receivership Estate and (ii) begin liquidating the remaining inventory. *See* Dkt. No. 294. The Receiver anticipates that most, if not all, of the items that need to be returned have already been returned or will be returned to their owners early next quarter.
- 4. The Receiver has created an inventory of the thousands of coins and other items at RRC and has separated them into three categories: high-value items, low-value items, and bullion. As discussed in turn below, the Receiver is working with professionals in each category of inventory in order to maximize the proceeds to the Receivership Estate.
- 5. **High-value Items.** The Receiver has retained Ian Russell to place the high-value items up for auction. Mr. Russell is a member of the Professional Numismatists Guild and is the President of GreatCollections.com, a California-based company that specializes in the sale of rare coins and other numismatic items. Mr. Russell has overseen the process of grading and appraising the high-value items in anticipation for their auction. The Receiver has authorized Mr. Russell to place the high-value items up for auction and anticipates that they will be listed early next quarter, with the auctions ending sometime in May 2020.

- 6. **Low-value Items.** The low-value category consists of miscellaneous coins, stamps, and other items that are best suited to be auctioned, but do not require grading or the experience of a numismatic expert. The Receiver has engaged the services of Erkelens & Olson Auctioneers and Appraisers ("Erkelens") to conduct live auctions of the low-value items. Due to complications related to COVID-19, Erkelens has stopped holding live auctions. The Receiver is hopeful that Erkelens will be able to begin auctioning the low-value items by live or online auction sometime this summer. Should the COVID-19 pandemic continue to make it impracticable to hold live auctions, the Receiver will direct Erkelens to sell through online auctions, provided that auction format maximizes value for the Estate.
- 7. **Bullion.** The Receiver continues to store all bullion and other commodities at a licensed storage facility. The Receiver contacted several local and regional coin dealers to solicit quotes for the bullion items to ensure that the maximum value is realized. Once all of the quotes have been received and analyzed, the Receiver will engage those dealers with the highest bids and begin liquidating the bullions items. The Receiver anticipates that all of the bullion items will be liquidated early next quarter.
- 8. **Sale of Alaska Business Property Inventory.** As previously reported, the Receiver entered into an agreement with Aleesha Rust Franklin in July 2019 wherein she agreed to purchase certain health and wellness inventory related to her business in Homer, Alaska. Under that agreement, Ms. Franklin is required to make ongoing payments to the Receiver for such inventory over 24 months, as a percentage of sales from retained inventory. This quarter, the Receiver received \$3,056.85 in total payments from Ms. Franklin, and to date, she has paid \$9,995.56 of her total \$55,000 obligation to the Receivership Estate for such inventory.

D. Recovery and Sale of Other Receivership Property

- 9. **Money at Zions Bank.** As previously reported to the Court, several transfers involving the Receivership Defendants' bank accounts took place in the 24 hours immediately preceding the Receiver's appointment. One of these transfers was for \$1.6 million, which the Receiver is actively trying to recover. This quarter, the Receiver attempted to informally resolve this case with opposing counsel but was unable to reach an agreement. Accordingly, an evidentiary hearing has been scheduled for June 16, 2020, where the Court can make a final determination on this matter.
- 10. **Musician's Toolkit.** Through Musician's Toolkit, Defendants created thousands of hours of high-quality music instructional videos and a custom learning-management system for instructors. This quarter, the Receiver met with various industry experts and potential buyers to ascertain the value of the Musician's Toolkit and the most effective way to liquidate it. The Receiver was hopeful that the value of the Musician's Toolkit would generate significant revenue for the Estate, but the only offers the Receiver has received to date are very modest. The Receiver's efforts are ongoing and will seek Court approval once an acceptable offer has been received.
- 11. **Eazy Tracks.** Eazy Tracks, LLC is a company that was formed to develop an app that would allow users to playback masters on their cellular devices. Based on information reviewed by the Receiver, it appears that R Legacy Entertainment invested approximately \$74,000 into Eazy Tracks and holds a 25% interest in the company. At this time, the Receiver continues to work towards a settlement agreement with the company's owners regarding R Legacy Entertainment's prior investment in Eazy Tracks and certain fund transfers made by Eazy Tracks shortly after the Receiver's appointment. These efforts remain ongoing.

- 12. In addition, the Receiver believes that a sale of Eazy Tracks may be viable to buyers interested in Musician's Toolkit given the interrelated nature of these companies. The Receiver intends to examine this option going forward with both the owners of Eazy Tracks and potential Musician's Toolkit buyers.
- 13. **Intellectual Property.** The Receiver continues working towards a bulk sale of the Huge Studios, Torque Entertainment, and YourLDSMusicStore intellectual property. The Receiver anticipates that the sale and/or auction of these intangible assets will likely require significant analysis given the interrelated nature of Huge Studios, Torque Entertainment, Writer's Den, and YourLDSMusicStore.
- 14. **CC Soundhouse.** As previously reported to the Court, prior to the Receivership, Gaylen Rust invested in excess of \$1 million into CC Soundhouse in exchange for a 5% share of the company and also loaned CC Soundhouse certain funds for which he has not been repaid. Accordingly, the Receiver and his counsel are engaged in ongoing discussions with CC Soundhouse to understand the financial condition of the company in order to reach a resolution of this issue. This quarter, the Receiver performed information discovery including a voluntary examination of one of CC Soundhouse's principals. The Receiver's efforts are ongoing and will seek Court approval before finalizing any agreement with CC Soundhouse.
- 15. **Angler's Roost.** Gaylen Rust owns a 9.49% interest in Angler's Roost, LLP, a 15-acre campground and RV park in Hamilton, Montana. The company is currently listed for sale by the owners, and they are working to market the property to potential buyers. The Receiver is currently determining the most effective way to liquidate his minority interest in the company. The Receiver will seek Court approval before finalizing any sale of the Receivership's interest in Angler's Roost.

- 16. **Investor Communications.** The Receiver continues to post updates to the Receivership's website (rustrarecoinreceiver.com) when filings are made with the Court. The Receiver has also distributed by email copies of all filings and notices to the approximately 800 individuals listed on the Receiver's master mailing matrix.
- 17. **Insurance.** The Receiver continues to ascertain, renew, cancel and otherwise manage the insurance policies for Receivership real and personal property located in Utah and Alaska. This has involved monitoring policy statuses and coordinating the payment of all necessary insurance policy premiums so that the Receivership property remains adequately insured. Because the remaining real properties within the Receivership Estate are a vacant home and vacant ground, the Receiver has had to work closely with his insurance agents to find insurers who are willing to provide coverage for such properties as the policies come up for renewal. As properties have been liquidated, the Receiver has cancelled the corresponding insurance policies to reduce costs to the Estate.
- 18. **Tax Issues.** The Receiver continues to work with his accountants at Berkley Research Group ("BRG") to ensure the Receivership's various tax obligations are being met, including the amounts owed in relation to the Receivership's real property and the amounts associated with the business entities still within the scope of the Receivership Estate.

II. SUMMARY OF THE CURRENT FINANCIAL CONDITION OF THE RECEIVERSHIP.

19. The Receiver had sufficient cash during this quarter to cover all expenses of the Receivership Estate and believes that he will continue to have sufficient cash in the Estate to cover all foreseeable expenses. The Receiver is not concerned that the Estate will be unable to cover its ongoing expenses as the Receiver, his counsel, and his accountants at BRG have voluntarily agreed

to refrain from taking any fees until the Estate recovers at least three times the amount of their fees. The Receiver is confident that through the liquidation of assets and claw back recoveries, the Receivership Estate will have sufficient funds to cover all Receivership expenses and make a return to victims. Through the end of the quarter, the Receiver and his team's efforts have recovered over \$9.4 million in net sale proceeds for the Receivership Estate, with total sales well in excess of \$10 million. The Receiver will provide a more detailed analysis of potential recoveries in future reports.

III. DESCRIPTION OF RECEIPT AND DISBURSEMENTS.

- 20. The Receiver continues to collect outstanding accounts receivable for the Receivership Defendants. A schedule of the receipts and disbursements of the Receiver is attached hereto as Exhibit A.
- 21. As previously reported, the Receiver believes that he has identified most, if not all, of the assets that fall within the scope of the Receivership Estate.
- 22. At this time, the Receiver has not yet made any disbursements to investors or pre-Receivership creditors of the Receivership Estate. The Receiver filed a motion with the Court seeking approval of a distribution plan. This is the first step towards making an initial interim disbursement to the creditors and claimants of the Receivership Estate, which the Receiver hopes to make later this year.

IV. DESCRIPTION OF ALL PHYSICAL RECEIVERSHIP PROPERTY.

23. Outlined above is a description of the physical Receivership assets known to the Receiver, along with their estimated values. The Receiver is still in the process of determining the value of various personal property assets in the Receivership Estate, and the value of most of those assets will not be finally determined until they are sold to an arms-length buyer.

V. <u>DESCRIPTION OF LIQUIDATED AND UNLIQUIDATED CLAIMS</u>.

- 24. As previously reported to the Court, over 80 different investor groups and several hundred individual investors have been identified in this matter.
- 25. Based on the net winner analyses provided by BRG, the Receiver has identified over \$50 million of potential net winner claims which the Receiver is currently working to recover. The number and value of these potential claims are based primarily on the books, records and correspondence of the Receivership Defendants, and are therefore fluid and subject to ongoing investigation and change.
- 26. As part of the Receiver's recovery efforts, several ancillary lawsuits have been filed against potential claw back defendants of the Receivership Estate. In total, these actions include 30 separate claw back filings against approximately 124 different investors. The Receiver and his team continue to either prosecute these claims or settle such claims as favorable agreements are reached by the parties.
- 27. As set forth above and in prior reports, the Receiver has also made a significant effort to minimize the number of necessary filings by coordinating the execution of over 170 tolling agreement with various investors. Because the determination of whether these investors are net winners often depends on the metal transactions associated with each investor, the Receiver has worked closely with his legal counsel and accountants to determine whether there is adequate support in the books and records of the Receivership Estate to recognize such metal transactions.
- 28. As part of this analysis, the Receiver and his team have also engaged in ongoing discussions with various potential net winners to determine whether the investors have any additional documentation to support their metal transactions. Through these discussions, the Receiver has been able to confirm or reject the net winner status of many investors who dealt with

the silver investment pool through metal transactions. Given the magnitude of these metal transactions, however, the Receiver expects that this analysis will take significant coordination with investors and his team to resolve all of the potential claw back determinations in this matter.

- 29. As a result of the Court granting the Receiver's Motion for Settlement Authority (*See* Dkt. No. 271), and the Receiver's ongoing settlement efforts, the Receiver recovered approximately \$419,851 in claw back negotiations during this last quarter. The Receiver remains hopeful that many of the fraudulently transferred funds will be recovered without having to resort to formal litigation.
- 30. In connection with the claims analysis and claw back recovery efforts, the Receiver and BRG have begun compiling data which will be used to prepare their expert reports. These reports will be critical in prosecuting potential claw back filings in the upcoming months.

VI. <u>LIST OF KNOWN CREDITORS OF THE RECEIVERSHIP</u>.

31. As previously reported to the Court, the Receiver initiated the claims process which included a claims deadline of October 4, 2019. As a result of this process, the Receiver received approximately 612 claim forms from potential claimants and creditors of the Receivership Estate. An updated list of the first and last names of each of these claimants is attached hereto as Exhibit B.

VII. STATUS OF CREDITOR CLAIMS PROCEEDINGS.

32. The Receiver and his team have continued their efforts this quarter to review and analyze the claim forms submitted by potential Receivership claimants to determine whether such claims should be allowed or denied by the Court. This continues to be an intensive process that requires ongoing coordination between the Receiver's counsel and his accountants. As part of this analysis, the Receiver's team is entering the relevant claim form data into an electronic master

matrix to help track the status of each creditor's claim. All claim forms submitted by investors,

trade vendors and customers have been reviewed and analyzed. The only claims for which the

Receiver is still looking for additional information are a handful of employee-related claims. The

Receiver anticipates securing the necessary information for those claims in the near term.

33. Once the Receiver has made an initial determination of whether certain claims

should be allowed or disallowed, he intends to file an omnibus motion next quarter asking the

Court to rule on various categories of claims identified by the Receiver.

VIII. RECOMMENDATION TO CONTINUE THE RECEIVERSHIP.

34. The Receiver is still in the process of liquidating real and personal property within

the Receivership Estate and continues to work towards recovering a significant amount of funds

from various claw back defendants. The Receiver is also still working to review and analyze the

claim forms submitted by potential claimants of the Estate who allege significant harm as a result

of the Receivership Defendants' actions. The Receiver anticipates that the continuation of the

Receivership will generate a significant amount of additional funds that will ultimately be

distributed for the benefit of defrauded investors and other Receivership claimants. Accordingly,

the Receiver recommends the continuation of the Receivership.
