Rust Rare Coin Investors and Interested Parties:

A motion is pending before the US District Court requesting approval of a packet of documents which must be completed by all claimants in the Rust Rare Coin matter (the "Claims Packet"). Upon receipt of the court's order of approval, the Claims Packet will be distributed via mail, email and through the Receiver's website. This will be the start of the formal claims process. Please be on the lookout for the Claims Packet in the next few weeks.

It is important that we have your most current contact information as we approach and begin the claims process. If your contact information has changed, please immediately visit the website (<https://rustrarecoinreceiver.com/>) to alert the Receiver of such changes.

Furthermore, as part of the claims process, every claimant will be required to submit documents substantiating their claim. Even if you previously submitted documents to assist with the Receiver's investigation, you must provide documentation as part of the formal claims process along with the completed Claims Packet. If you have not already done so, please start assembling such documents now.

Should you have relatives or acquaintances who have claims with respect to the Rust Rare Coin matter, please share the website with them and encourage them to provide their contact information (email, telephone, physical address) as quickly as possible.

Thank you for your cooperation.

Office of the Receiver
